Most hit men agreements go on the dotted line, or are at least verbal enough to officially be turned into a movie on Lifetime. This group of CONTRACT KILLINGS is set on paper, too: four various-sized pieces of watercolor paper, mounted to a frame, from 15 different artists. Death will occur, but it's all for the sake of a masterpiece. Dorothy Stucki, Becky Furey, Baxter Crane and Alex Kwares are just some of the artists in this group exhibition. Through June 6. Free. Opening reception, 8 p.m.; Fri.-Sun., noon-6 p.m. Beep Beep Gallery, 696 Charles Allen Drive. 404-429-3320. [www.beepbeepgallery.com](http://www.beepbeepgallery.com).
